Want to throw a holiday party your team will never forget? Imagine having the entire Arcade Comedy Theater all to yourselves for a night of non-stop fun and laughter! Our talented improv performers will put on a side-splitting, (safe-for-work) show based on your company's quirks and inside jokes as you enjoy food, drinks, and fun.

What's in Store:

- **Hilarious Improv Show:** Our performers will create a one-of-a-kind comedy experience inspired by your team's suggestions.
- **Audience Shenanigans:** Get your colleagues up on stage (if they dare!) for some interactive fun.
- **Improv Lessons:** Want to sprinkle in some learning? We can include improv lessons that focus on teamwork and creativity.
- **Just Pure Fun:** Enjoy a night dedicated to laughter, perfect for wrapping up the year on a high note.

Our Space is Your Playground:

- **Main Theater Seating for Up to 100:** Plenty of room for everyone to sit back and enjoy the show.
- **Upstairs Lounge and Second Theater:** Space to mingle, dance, and celebrate.

Food & Drink Options:

- **Connect with our caterers** or bring your own goodies. We'll set up a buffet and bar area near our free classic arcade games.
- **BYOB:** Bring your own beverages or let us help you coordinate. We've got you covered!

Let's Talk Pricing:

- **Weeknight Takeovers:** Starting at \$1,000 for up to 40 party-goers.
- **Bigger Groups or Weekend Bashes:** We've got special pricing just for you – ask us for details!
